In 2016, Hayward Animal Shelter ramped up its TNR (Trap, Neuter, Return) efforts.

TNR is a life saving program that helps reduce the number of unwanted kittens that come into the shelter each year, and helps reduce the number of feral and community cats in our neighborhoods in a safe and humane way.

TNR
Trap Neuter Return

From February 2016 to February 2017
Hayward Animal Services TNR efforts have resulted in
450 feral / community cats being spayed and
neutered.

Over 240 unwanted kitten births were prevented
through these spay/neuter efforts.
